RELEASE OF “DIRECTORY INFORMATION”

“Regarding student records, federal law requires that ‘directory information’ on my child be released by the District to anyone who requests it unless I object in writing to the release of this information. This includes release of directory information to military recruiters and post-secondary institutions. This objection must be filed within ten school days of the time this handbook was given to my child. Directory information ordinarily includes the student’s name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, photographs, dates of attendance, awards received in school, and most recent previous school attended.

In exercising my right to limit release of this information,

Our responsibility to you will be to provide opportunities for service, scholarship, leadership, citizenship, and assembly programs.

Your responsibility will be that of helping us to continue to be a fine school. We ask that you show respect for your fellow students, for teachers, and for school property. Also, display proper courtesy at all times in the classrooms, hallways, lunchroom, and at assemblies. The quality of RESPECT is the foundation upon which good schools are built and remain strong.

The following rules and regulations have been developed for the proper operation and function of the school, and to protect the rights and privileges of everyone. YOU are personally responsible to become familiar with all the procedures outlined in this handbook, and to follow the specific procedure when the situation arises.

The contents of this handbook are official School Board Policy at the time of its printing in August of 2018. Changes made after printing supersede.

This is especially true on days when Turner has after school games or activities. Students cannot stay in the building without supervision and prior approval.

1.4 **To Students and Parents:**

The Turner Public School Student/Parent Handbook contains information that students and parents are likely to need during the school year. The handbook is organized alphabetically by topic. Throughout the handbook, the term “the student’s parent” is used to refer to the parent, legal guardian, or other person who has agreed to assume school-related responsibility for a student.

The Student Handbook is designed to be in harmony with the Board policy. Please be aware that this document is updated annually, while policy adoption and revision is an ongoing process. Therefore, any changes in policy that affect student handbook provisions will be made available to students and parents through proper communications. These changes will generally supersede provisions found in this handbook that have been made obsolete by newly adopted policy.

Please note that references to policy codes are included to help parents confirm current policy. A copy of the District’s Policy Manual is available in the school office.

In case of conflict between Board policy or any provisions of student handbooks, the provisions in the student handbooks are to be followed.

The Turner School District does not discriminate on the basis of race, religion, color, national origin, sex, or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964 as amended; Title IX of the Educational Amendments of 1972; Section 504 of the Rehabilitation Act of 1973, as amended. (Refer to Policy 3210)

The Title IX Coordinator has been designated to coordinate compliance with these requirements.

2.0 **ATTENDANCE**

Regular school attendance is essential for the student to make the most of his or her education – to benefit from teacher-led activities, to build each day’s learning on that of the previous day, and to grow as an individual.

2.1 **Attendance by State law requires:**

A student between the ages of 7 and 16 **MUST** attend school unless the student is otherwise legally exempt or excused. A student who voluntarily attends or enrolls after his or her sixteenth birthday is required to attend each school day.

A student absent from school without permission, from any class or from required special programs, will be considered truant and subject to disciplinary action. Truancy may also result in assessment of a penalty by a court of law against the student and his or her parents. (See policies 3122 and 3122P) Policy 3123

2.2 **Attendance Policy**

A frequent absence, of pupils, from regular classroom learning experience disrupts the continuity of the instructional process. The benefit of regular classroom instruction is lost and cannot be entirely regained, even by extra instruction. Consequently, pupils who miss school frequently experience greater difficulty in achieving the maximum benefits of schooling. Many pupils in these circumstances are able to achieve only mediocre success in their academic programs. The school cannot teach pupils who are not present. The entire process of education requires regular continuity of instruction, classroom learning experiences, peer interaction, and higher thinking skills, lab work, research, films, speaker tests, demonstrations and group participation in order to reach maximum benefits for each individual pupil.

There is a direct relationship between poor attendance, class failure, and drop-outs. Students who have good attendance generally achieve high grades, enjoy school more, and are much more desirable employees after leaving high school.

2.3 **Excused Absences:**

This type of absence has been approved by a parent or guardian. The following absences will be designated excused absences:

- Doctor's appointments
- Hospitalization
- Serious illness requiring the student to miss school and verified by a signed letter from a medical doctor or parent authorization.
- Absences for funerals
- Seniors may use up to two days for college visitations (with advance administrative approval)
- Those absences that occur due to school-sponsored activities. These activity exemptions will apply to students participating in sports events, music-related events, science trips, academic field trips, and others deemed co-curricular.
- Students, who as spectators, attend district, divisional, or state tournaments in which our school is actively participating.
- Religious responsibilities as approved by the Superintendent or designee.

2.4 **Truancy/Unexcused Absences:**

This type of absence has not been approved by a parent or guardian, is the result of a student's leaving the school without checking out through the office, or is the result of a parent or guardian failing to notify the school within twenty-four (24) hours of his or her knowledge of the absence. While students are encouraged to complete any work they missed during classes from which they were truant, they will not receive credit for work. It shall be noted that the school determines truancy and not the parent or student. Students who are truant will make up missed school time as determined by the school administrators.

2.5 **Attendance and transfer students:**

Students who transfer to the school system will be responsible for all absences accumulated in the school(s) from which they are transferring in calculating the total absences for the semester. Exceptions to this rule can be made at the discretion of the Superintendent.

2.6 **Absences due to weather:**

Absences due to weather caused by buses not running their routes or parents not being able to bring students to school because of blocked roads shall not count against perfect attendance of any student.

Students wishing to participate in any after school or evening extracurricular activities must be in school on that day or the Thursday prior to the weekend activity. The exception to this rule is for students who obtain approval from the Superintendent and coach, to participate in such activities. In the case of a Friday or Saturday event, the same rule applies.

2.7 **School-sponsored absences:**

Absences for school-sponsored activities will not be counted on students' attendance records or transcripts.

2.8 **Notification and due process in regards to attendance:**

It is the student's responsibility to keep track of his/her attendance record. However, when the student has accumulated five (5) absences for the quarter, the parents or guardians will be notified. When a student has reached ten (10) days in a semester, a meeting with the parents or guardians and the administration may be required. If a student reaches fifteen (15) days absent in a semester, the student and the parents or guardians may be asked to address this issue with the school board at the next available meeting.

2.9 Attendance appeals:

If a student, parent or guardian does not agree with a decision made by the administration concerning unexcused absences or loss of credit, he/she may:

State the complaint in writing, sign it, and submit it to the Superintendent. If the decision at that level is not satisfactory, a hearing may be requested at the next regular meeting of the Board of Trustees.

2.10 Attendance Policies:

If a student is going to be absent from school, a parent or guardian is expected to telephone the office as soon as possible on the day of the absence. If a parent or guardian does not have access to a telephone, a note verifying knowledge of the absence will need to be written. The school must be contacted within 24 hours of the beginning of the absence or the absence will be unexcused.

The office staff or administration will attempt to contact the parent or guardian if a call or note has not been received concerning an absence.

If a student goes home at any time and does not return, the school must be notified by telephone or note as mentioned above. Any time a student leaves the building, he or she must check with the main office first and explain the reason for wanting to leave. Parental permission is normally required. When the student returns, they must check in at the office. Failure to follow these procedures will result in an unexcused absence.

2.11 Make Up Work:**Absence Make-up Work (1-3 days absent)**

A student will have one SCHOOL day for each of the days absent to complete make-up work i.e. absent on Tuesday, make up work is due Thursday morning before the start of period one (1) to all teachers. Make-up work turned in on time will be counted in full.

Extended Absence Make-up Work (4 or more days absent)

If a student is absent for four (4) or more days the student will be given no more than four (4) SCHOOL days for the make-up work to be turned in. Make-up work turned in on time will be counted in full.

2.12 Tardies:

Tardies of ten (10) minutes or more per class period will be considered an absence. If a student is detained by a staff member, the tardy will be excused if a note signed by that staff member is presented when the student arrives at class.

Tardies are cumulative per class on a quarterly basis. The following procedure is used in recording student tardies:

First and Second Unexcused Tardies-warning
Subsequent Tardies-may result in detention with the teacher.

The superintendent may assign additional consequences if individual student tardies become habitual.

3.0 **AWARDS AND HONORS**

3.1 **Honor Roll**

All subjects will be considered in awarding honor roll status and eligibility status. A 3.00 grade point average is required for honor roll status. Superintendent's honor roll status is 3.50 or above.

3.2 **Honor Society**

Honor Society is one scholastic organization that recognizes academic excellence. Membership in the National Honor Society is determined by a constitution and overseen by a faculty committee at the local level. An application process is used and selection is determined by the committee and overseen by the administration. It must be stressed that selection is not based solely on grades or academic performance. Other important factors include leadership, citizenship, and community service/involvement, and character. In order to be eligible a student **MUST** have an overall GPA of 3.50.

4.0 **BUS REGULATIONS**

- Students who come to school on the bus must return home on the bus unless they have notes from their parents.
- Riding the school bus is a privilege. Improper conduct on the buses will result in that privilege being denied. Drivers may assign riders to seats.
- Only regularly scheduled passengers are to ride the school buses.
- Passengers are to go immediately to the buses as soon as they are dismissed from school.
- Parents are responsible to use discretion in sending children to the buses, especially during inclement weather.

- Students who are NOT riding the bus, at the end of the school day, but are being picked up by their parents, **MUST** be picked up at the main entrance (gym door). Parents **MUST** park on the south side of the school building. Parents **MUST** leave the parking lot headed south.

If however, students have a cell phone in their possession when they come to school; it is to be placed in the designated holder located in the office prior to the start of the school day. The phone can be picked up at the end of the school day. Access to the phone is not allowed during the school day.

If a student's phone has been left in the office for safekeeping and, they are scheduled to leave for an extra-curricular activity they can stop at the office and retrieve the phone when they are dismissed for that activity. If a parent needs to leave a message for their child(ren) they can call the office and that message will be given between class changes. If it's an emergency the student will be notified at the time of the call.

1. First consequence; the phone will be taken down to the office and can be picked up by the student at the end of the day.
2. Second consequence; the phone will be taken to the office and must be picked up by a parent/guardian.
3. Third consequence; the phone will be taken to the office and the student will serve a lunch detention. The phone must be picked up by a parent/guardian.
4. Fourth consequences; the phone will be taken to the office and a full day of in school suspension (ISS) will be served. At the end of the school day or the following morning the phone must be picked up by a parent and/or guardian.
5. Fifth consequences; the student will serve a full day of out of school suspension (OSS). The phone must be picked up by a parent/guardian.
6. Sixth consequence: start at step 5. The phone must be picked up by a parent/guardian.

A cumulative grade point average of at least 3.25 is required to be considered the salutatorian and a cumulative grade point average of at least 3.50 to be considered the valedictorian plus a minimum ACT score of 20 (SAT Math/Verbal scores of at least 504/516 respectively) are necessary to be considered for this honor. The cumulative GPA is calculated using **ONLY SOLID COURSES**. Solid courses consist of History, Business, English, Math, and Science classes. Candidates must have attended the last four semesters at Turner High School.

7.2 **Class Rank (Grade Point Average)**

Class Rank is compiled from semester grades. Courses not eligible for GPA are designated with an asterisk on the report card. See Grading Guidelines below for more details on grading.
(See Policy 2410P)

8.0 COMMUNICABLE DISEASES/CONDITIONS

To protect children from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. Parents of a student with a communicable or contagious disease should phone the school nurse or principal so that other students who may have been exposed to the disease can be alerted. These diseases include, but are not limited to:

Amebiasis	Hepatitis	Rubella (German Measles), including congenital
Campylobacteriosis	Influenza	Salmonellosis
Chickenpox	Lyme disease	Syphilis
Chlamydia	Malaria	Scabies
Colorado Tick Fever	Measles (Rubeola)	Shigellosis

[Further information may be found at policy 3417 in the District's Policy Manual]

9.0 COMPLAINTS BY STUDENTS / PARENTS

Usually student or parent complaints or concerns can be addressed simply by a phone call or with a conference with the teacher. For those complaints and concerns that cannot be handled so easily, the District has adopted a uniform complaint procedure policy at 1700 in the District's policy manual. In general, a parent or student should first discuss the complaint with the individual involved. If unresolved, a written complaint and a request for a conference should be sent to the Superintendent. Under some circumstances, the District provides for the complaint to be presented to the Board of Trustees in the event the matter cannot be resolved at the administrative level.

Some complaints require different procedures. The District office or the Superintendent's office can provide information regarding specific processes for filing complaints. Additional information can also be found in the designated Board policy, 1700, available in the Superintendent's office.

10.0 COMPUTER RESOURCES

To prepare students for an increasingly computerized society, the District has made a substantial investment in computer technology for instructional purposes. Use of these resources is restricted to students working under a teacher's supervision and for approved purposes only. Students and parents will be asked to sign a user agreement (separate from this handbook) regarding use of these resources; violations of this agreement may result in withdrawal of privileges and other disciplinary action.

Students and parents should be aware that electronic communications — e-mail — using District computers are not private and may be monitored by District staff. Unauthorized use of email, instant messaging, or other similar computer communication forms on school equipment may result in temporary or permanent loss of internet and/or computer use. [For additional information, see policy 3612 and 3612F]

11.0 CONDUCT

Whether you are a kindergarten student or a teacher with thirty years of classroom experience, you want to be treated with courtesy and respect by the people with whom you come in contact with on a daily basis. Behave in an appropriate manner toward the various age groups you will be dealing with each day. As high school students, the younger students look up to you as models. Set good examples for them, treat them with courtesy and respect, and watch out for their welfare. Treat your peers as you would like them to treat you. Show respect for your teachers and other school staff. They are not your peers, pals or buddies. They are professional people hired to educate you. Address your teachers by their proper names preceded by Mr., Mrs., or Ms.

11.1 Conduct in the Classrooms

Help the class begin on time by being at your desk when the tardy bell rings. Set a good example for others by behaving in a respectful manner toward your peers and towards the teacher. Be an active participant, help promote discussion, and bring a positive attitude with you. Making mistakes is a natural part of learning. Don't laugh at the mistakes of others. Be honest with yourself and others. Cheating will not be tolerated. Teachers will give a "zero" grade to any student caught plagiarizing or cheating on any assignment. The use of profanity or sexually suggestive comments is prohibited in or out of class. Food, candy and beverages are not permitted in the classrooms, shop or computer lab unless a teacher has given permission. Help keep our building looking clean. Before leaving class pick up any paper or other garbage on the floor and deposit it in the garbage can. When the bell rings signifying the end of class, show your good manners by remaining at your desk until the teacher has dismissed you.

11.2 Conduct in the Hallways

Be considerate of others. Do not run or push, charge up or down the stairs, or make a mad dash to be the first one in the lunch line. Always keep your hands to yourself.

Help reduce noise pollution – avoid whistling, and loud or boisterous talking.

If a teacher speaks to you regarding any improper behavior, remember that is the teacher's duty to correct such behavior. Also, remember good manners and a smile is as important as being accepted by society as is knowledge.

Younger students (K-6) are not allowed in the 7-12 wings of the building without prior approval from the administration or the office.

11.3 Conduct at Assemblies

At all times student behavior is to be refined and courteous. An indication of the cultural level of a school is the conduct of its student body at an assembly. Whether guests are present or not, each student is responsible for the impression made by the school as a whole.

11.4 Applicability of School Rules and Discipline

To achieve the best possible learning environment for all our students, Turner Public Schools rules and discipline will apply:

On, or within sight of, school grounds before, during or after school hours or at any other time when the school is being used by a school group.

Off school grounds at a school sponsored activity or event, or any activity or event that bears a reasonable relationship to school.

Traveling to and from school (including the bus) or a school activity, function or event; anywhere, if the conduct may reasonably be considered to be a threat or an attempted intimidation of a staff member, or an interference with school purposes of an educational function. (see policy 3310)

12.0 CORRESPONDENCE COURSES

Students who are not able to meet graduation requirements due to scheduling problems and/or course offerings for a particular school year may take correspondence courses, which will be accepted for graduation subject to the following conditions:

The courses must be from accredited correspondence schools that are acceptable to the administration and the Board of Trustees. All applications will be processed by the administration. The courses must be completed within the time frame that allows transcripts of work to be received by Turner High School prior to the graduation ceremonies or the student will not receive a diploma. Students using correspondence courses for make-up of courses offered by Turner High School that were dropped or failed by students, will be limited to no more than two semesters of correspondence courses.

The District shall not be obligated to pay for a student's correspondence courses. Final examinations provided by the correspondence school will be required for each course taken. These examinations will be taken under the supervision of Turner High School staff. Students will not be allowed correspondence coursework until they are seniors or scheduling problems are foreseen when they are in their junior year, which will delay their graduation. (See Policy 2167)

13.0 COUNSELING

The purpose of the guidance program is to help each student achieve his/her highest growth mentally, emotionally, and socially. Those students wishing to speak with the counselor need to let the office know the morning of, or the day before the scheduled visit.

14.0 DISCIPLINE

The District's goal is to provide each student with the best education possible in a safe, secure and predictable learning environment. To this end, the school will not tolerate anyone doing something that is not in his/her best interest. Students have the right to learn and teachers have the right to teach in a safe environment.

Students sent to the superintendent's office for disciplinary action on offenses to include but not limited to dress code violations, classroom disruption, offensive language, profanity, vandalism, inappropriate lunchroom behavior, etc, will be treated as follows:

- A. First offenders will be warned and, a notice will placed in the office discipline file after a discussion with the superintendent with a possible detention to be determined by the superintendent.
- B. Second offenders will be given one hour of detention (minimum) after a discussion with the superintendent, a notice will be placed in the office discipline file and the student may not be allowed to compete in any athletic contest or participate in any extracurricular and/or school affiliated activity involving another school the afternoon or evening of the day they are sent to the office. A letter reporting their actions will be mailed to the parents
- C. Third offenders will be given a hearing with the superintendent. If the superintendent believes the student's actions warrant suspension, the student will be suspended either in or out of school for a length determined by the superintendent. Additionally, the student may not be allowed to compete in any athletic contest or participate in any extracurricular and/or school affiliated activity involving another school the afternoon or evening of the day they are sent to the office. An out of school suspension is an unexcused absence. During an out of school suspension, the student will receive a zero for each day he or she is suspended for all class work and on all tests scheduled for each day. A notice will be placed in the office file and, a letter reporting their actions will be mailed to the parents.
- D. In accordance with the Montana High School Association (MHSА), to be eligible to participate in an Association contest, a student must have received a passing grade in at least twenty (20) periods of prepared work or its equivalent during the preceding semester in which he/she was in attendance. If a student is assigned an "incomplete" or a "condition" in a subject, or if he/she has not received a passing grade in the subject after two weeks, the grade will become an F. The record at the end of the semester is final, and scholastic deficiencies may not be made up in any way.

Eligibility standards imply the philosophy that regular academic study is the first responsibility of the student.

Eligibility standards will be rigidly enforced and shall not be subject to change during the time that a regular school year is in session.

Eligibility standards set forth in the Montana High School Association Handbook will be complied with by the high school

In addition, the following standards for academic eligibility are in place:

- 9-12 students will be monitored every two weeks. A student must maintain at least a 2.0 average, and have passing grades in all classes from the beginning of the current quarter. If a student's GPA drops below 2.0 or if that student FAILS (receives an F) in any given class they are automatically suspended until the next grade check (2 weeks)
- If a student fails a class at the end of the quarter, they are automatically ineligible during the next two weeks regardless of their GPA.
- Due to the short season, elementary and junior high grades will be checked on a weekly basis. An elementary or junior high student, who fails a class or subject, may not participate in any games for one week. However, if a junior high student participates in a MHSА sanctioned sport, they will follow the 2 week ineligibility rule.
- Eligibility will be checked on the first day of practice and then every two weeks thereafter. Grades for elementary and junior high will be checked on Monday every week during those particular seasons. See above for junior high if they participate at the high school level.
- Eligibility will be checked through Infinite Campus at 8:00 a.m. on the designated Monday's. The status at 8:00 a.m. will be the determining status for the next one and two weeks, no exceptions.

The Administration will notify the coach of any ineligible players at the start of the Monday practice.

A student that is ineligible for any reason, can still practice at the coach's discretion, but WILL NOT be allowed to travel on the bus with the team, dress out, or compete in any game or event

These rules apply to all extra-curricular activities including but not limited to sports, managing, and any other school activity that the superintendent feels fits the intent of this rule.

Activity participants must be in school attendance all day on the day of any activity in which they plan to participate, unless prior arrangements have been made. This statement must be renewed yearly.

If a student should not be immunized for medical reasons, the student or parent must present a certificate signed by a Montana licensed physician stating that, in the doctor's opinion, the immunization required would be harmful to the health and well-being of the student or any member of the student's family or household. Students must not engage in unwanted and unwelcome verbal or physical conduct of a sexual nature directed toward another student or a District employee. This prohibition applies whether the conduct is by word, gesture, or any other sexual conduct, including

requests for sexual favors. All students are expected to treat other students and District employees with courtesy and respect; to avoid any behaviors known to be offensive; and to stop these behaviors when asked or told to stop.

A substantiated complaint against a student will result in appropriate disciplinary action, according to the nature of the offense.

The District will notify the parents of all students involved in sexual harassment by student(s) when the allegations are not minor, and will notify parents of any incident of sexual harassment or sexual discrimination by an employee. To the greatest extent possible, complaints will be treated as confidential. Limited disclosure may be necessary to complete a thorough investigation.

A complaint alleging sexual harassment by another student or sexual harassment or sexual discrimination by a staff member may be presented by a student and/or parent in a conference with the Superintendent or with the Title IX coordinator. The parent or other advisor may accompany the student throughout the complaint process. The first conference with the student ordinarily will be held by a person of the same gender as the student. The conference will be scheduled and held as soon as possible. The Superintendent or Title IX coordinator will conduct an appropriate investigation. Following the receipt of the appeal, the matter shall be placed on the agenda at the next regularly scheduled Board meeting. Information on the procedure for addressing the Board can be obtained from the Superintendent's office. (See Policy 3225)

For more information about the District's complaint procedure, see Policy 1700.

44.0 BULLYING/HARASSMENT/INTIMIDATION/HAZING

Bullying, harassment, intimidation, or hazing, by students, staff, or third parties, is strictly prohibited and shall not be tolerated.

All complaints about behavior that may violate this policy shall be promptly investigated. Retaliation is prohibited against any person who reports or is thought to have reported a violation, files a complaint, or otherwise participates in an investigation or inquiry. (See Policy 3226)

44.0 STUDENT RECORDS

A student's school records are confidential and are protected from unauthorized inspection or use. A cumulative record is maintained for each student from the time the student enters the District until the time the student withdraws or graduates. A copy of this record moves with the student from school to school.

By law, both parents, whether married, separated, or divorced, have access to the records of a student who is under 18 or a dependent for tax purposes. A parent whose rights have been legally terminated will be denied access to the records, if the school is given a copy of the court order terminating these rights.

The Superintendent is custodian of all records. Records may be reviewed during regular school hours, upon completion of the written request form. The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records. If circumstances prevent a parent or eligible student from inspecting the records, the District will either provide a copy of the requested records or make other arrangements for the parent or student to review the requested records.

Parents of a minor or of a student who is a dependent for tax purposes, the student (if 18 or older), and school officials with legitimate educational interests are the only persons who have general access to a student's records. "School officials with legitimate educational interests" include any employees, agents, or Trustees of the District; cooperatives of which the District is a member; or facilities with which the District contracts for the placement of students with disabilities, as well as their attorneys and consultants, who are: Working with the student; Considering disciplinary or academic actions, the student's case, an individual education plan (IEP) for a student with disabilities under IDEA, or an individually designed program for a student with disabilities under Section 504; Compiling statistical data; or Investigating or evaluating programs.

The parent's or student's right of access to and copies of, student records does not extend to all records. Materials that are not considered educational records, such as teachers' personal notes on a student that are shared only with a substitute teacher, records pertaining to former students of the District, and records maintained by school law enforcement officials for purposes other than school discipline do not have to be made available to the parents or student. (See Policies 3600, 3600P, 3600F1, 3600F2)

45.0 STUDENT LOAD

Each student must carry a minimum of four (4) solid courses per year. Solids include math, science, English, history, business and social science. Students shall not register for more than one study hall except by permission of the Superintendent. Seniors will complete an English term paper. Classroom, office, and library aide positions are open only to **juniors and seniors.**

46.0 STUDENTS LEAVING THE SCHOOL

ALL student who leave the school, during the school day, **MUST** check out through the main office. **Failure to do so could result in an unexcused absence, truancy, and/or loss of classroom credit for that day.**

47.0 SUBSTANCE ABUSE POLICY: USE, SALE, PURCHASE, OR POSSESSION OF DRUGS

It is Turner School District No. 43's policy to make every effort to provide its employees and students with a safe, clean and wholesome place to work and study. Illicit sale, purchase, possession, under the influence of or use of illegal drugs, including alcohol and tobacco, by employees or students in or on the school premises or while on school business is prohibited. Any employee or student who engages in such conduct will be subject to immediate suspension or termination. This policy applies to all drugs except those prescribed by a competent physician. (see Board Policy #3340)

Any student using, possessing, under the influence or selling alcohol or other illegal drugs during school hours, before reporting to school for the regular school day, while on school property or during any school activity will be subject to the following:

1. A file will be kept regarding incidents or suspected incidents.
2. The student will be suspended pending a special Board meeting at which time both the student and parents must be in attendance.
3. Parents will be called to pick up the student and take them home.
4. Law enforcement agencies will be called if the student is in possession, selling or behaves in such a way that physical harm to self and others is deemed eminent.

The penalty will be as follows:

1. On the first offense, the user will be suspended for a period of up to four (4) days and placed on probation for a period of twenty (20) school days during which time the student will not participate in any school activities.
2. On the second offense, the user will be suspended for a period of up to four (4) days and must show proof of enrollment in a substance abuse treatment program before the student will be allowed back in school.
3. On the third offense, the user will be expelled.

For students selling, the Board will have two (2) options:

1. Expulsion
2. Suspension until a substance abuse treatment program is successfully completed.

The substance abuse treatment described above will be at no cost to the district and will be the student's responsibility. Failure to complete the substance abuse treatment program as described in this policy will result in the immediate expulsion of the student.

48.0 SUSPENSION & EXPULSION

Parents or guardians of pupils suspended will be so notified and given ample opportunity to further discuss the situation with the superintendent. After this discussion, the suspension may be appealed to the Trustees for their consideration. Expulsion is a disciplinary action available only to the Trustees. The superintendent has the authority to recommend expulsion of any student for good cause to the Board of Trustees. See discipline section for infractions that may be, but not limited to, cause for suspension or expulsion. Students **WILL NOT** be allowed to make up school work missed during an out of school suspension.

Students under out of school suspension or expulsion are not allowed to attend, participate or compete in any school related function or activity. This includes, but is not limited to, games, fundraisers, parties, or dances.

49.0 TRANSPORTATION

49.1 School Sponsored

All students must ride to and from athletic and school sponsored events on the bus provided for that activity. The only exception will be if children ride with their parents. The school is not responsible for students who leave the bus with their parents. All bus regulations apply to the activity bus.

49.2 Daily Bus Riding:

See 4.0 above

The District uses video cameras, with audio, on District property to ensure the health, welfare, and safety of all staff, students, and visitors to District property, and to safeguard District facilities and equipment. Video cameras may be used in locations as deemed appropriate by the Superintendent. Students in violation of Board policies, administrative regulations, building rules, or law shall be subject to appropriate disciplinary action. Others may be referred to law enforcement agencies.

Video recordings may become a part of a student's educational record. The District shall comply with all applicable state and federal laws related to record maintenance and retention. (See Policy 3235)

Acceptable Use of Electronic Networks

All use of electronic networks shall be consistent with the District's goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. These procedures do not attempt to state all required or proscribed behaviors by users. However, some specific examples are provided. The failure of any user to follow these procedures will result in the loss of privileges, disciplinary action, and/or appropriate legal action.

The system administrator and/or Superintendent will make all decisions regarding whether or not a user has violated these procedures and may deny, revoke, or suspend access at any time. His or her decision is final.
- 3) **Unacceptable Use** - The user is responsible for his or her actions and activities involving the network. Some examples of unacceptable uses are:
 - a) Using the network for any illegal activity, including violation of copyright or other contracts, or transmitting any material in violation of any federal or state law;

 - a) Be polite. Do not become abusive in messages to others.
 - b) Use appropriate language. Do not swear or use vulgarities or any other inappropriate language.
 - c) Do not reveal personal information, including the addresses or telephone numbers, of students or colleagues.

- d) Recognize that electronic mail (e-mail) is not private. People who operate the system have access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities.

- 5) **No Warranties** - The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages the user suffers. This includes loss of data resulting from delays, non-deliveries, missed deliveries, or service interruptions caused by its negligence or the user's errors or omissions. Use of any information obtained via the Internet is at the user's own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services.

Do not demonstrate the problem to other users. Keep your account and password confidential. Do not use another individual's account without written permission from that individual. Attempts to log on to the Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to the network.

Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, or any other network. - b) Prior to using an e-mail site, students are to obtain permission or be directed from either their supervising teacher, the Technology Coordinator or an administrator.
- c) Each person should use the same degree of care in drafting an electronic mail message as would be put into a written memorandum or document. Nothing should be transmitted in an e-mail message that would be inappropriate in a letter or memorandum.
- d) Electronic messages transmitted via the District's Internet gateway carry with them an identification of the user's Internet "domain." This domain name is a registered domain name and identifies the author as being with the District. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of this District. Users will be held personally responsible for the content of any and all electronic mail messages transmitted to external recipients.
- e) Any message received from an unknown sender via the Internet should either be immediately deleted or forwarded to the system administrator. Downloading any file attached to any Internet-based message is prohibited, unless the user is certain of that message's authenticity and the nature of the file so transmitted.

Home of the Tornadoes!

TO THE PARENTS OF THE CLASS OF

Congratulations!

In May 2019 you will be the proud parents of a Turner High School graduate. For each of our students, this is an important step towards the realization of yet greater accomplishments. Graduation time, with its many activities, is a high point in the lives of seniors and their families. The Senior Class of 2019 has thus far had a productive and successful school year. However, we must continue to remain diligent about expecting our students to make appropriate and mature decisions, both academically and behaviorally. Please be aware that all necessary academic credit, as well as financial obligations (fees /fines), must be completed in order for participation in the commencement ceremony. Any financial obligations also apply to participation in any other senior class activities.

Participation in Graduation Ceremony:

Students must;

- Have all fees paid in full
- Have all credits met for graduation
- Have no pending school discipline
- Attend required graduation practice (No practice=No ceremony), unless school related, major illness, and pre-arranged with the class advisor and administration.
- Be in compliance with School District Attendance Policy.
- Not involved in any illegal activities/unacceptable behavior.

Academic Graduation Requirements:

All graduating seniors must have completed and passed the mandatory amount of 22 credits in order to participate in commencement ceremonies. Alternative plans, such as working toward receiving a diploma through Job Corp, need to be approved in advance through the administration, with final approval required by the Turner School Board of Trustees. All tests, quizzes, papers, and or homework necessary to ensure completion of the required classes and credits for graduation, must be completed prior to participation in the graduation ceremony.

Pending School Discipline:

In order to participate in commencement ceremonies, all discipline issues must be resolved prior to the graduation practice and actual graduation ceremony.

Illegal Activities/Unacceptable Behavior:

The District does reserve the right to discipline uncooperative students, with the denial of the privilege to participate in any and all senior activities, including commencement. Since no unacceptable student behavior will be tolerated, we need your support in preventing such occurrences. Violations of school rules or engaging in activities that damage the reputation of the school, which may occur in school or out of school in the months preceding the high school graduation ceremony, may result in denying the privilege and/or attendance at graduation to any student. This includes any graduating student who has demonstrated a disregard for school rules and authority, or has evidenced intent to disrupt the graduation ceremony. Prior to the denial of the privilege, the student, **and where practicable** his or her parent/guardian, shall be made aware of the grounds for such denial and shall be given an opportunity to respond. If a

privilege is to be denied, the student and parent/guardian shall receive notice of the denied privilege and the means whereby he/she may appeal the decision.

Commencement:

Commencement is one of those events that are remembered for a lifetime. The wish of all of us at Turner High School is that this memory be a happy one. I implore you to use your influence to discourage poor decisions and to encourage appropriate cooperation and participation on the part of your sons and daughters. Graduation and the accompanying events to celebrate the achievement is a goal that students, their parents, and our staff have worked long and hard to attain. Together we can give these events the honorable significance they deserve. Please share and discuss the content of this communication with your graduating sons and daughters. If you have any questions, please contact me at 406-379-2315.

5. An itinerary must be submitted to the District Superintendent at least 30 days prior to travel.
6. Two (2) weeks prior to travel, a financial report from the account manager is to be balanced. The trip expenses are to be designated, as well as year-end expenses. A statement signed by the D.C. Club Advisor, treasurer and Superintendent, designating all funds, will be submitted to the account manager prior to travel.
7. All fundraising must be approved by the Student Council in accordance with the Student Council By-Laws.
8. D.C. Club advisor will manage all funds and record individual participation to prorate funds evenly per participant. If an individual has not earned the total amount needed to travel, it will be their personal responsibility to pay the balance prior to travel.

D.C. Participation Form

We will vote at the first club meeting on whether or not to hold fundraisers. If we choose to hold fundraisers, they will be presented to the Student Council for approval. All fundraisers must be work based activities. Fundraising money will not be split equally. Funds will be divided up among the students who have attended the fundraisers and shared in the work accordingly. (ex: Student X works one fundraiser along with three other students, the money from that fundraiser will be divided among only the four students who worked and not the entire club) The D.C. Club advisor will keep track of each student, the fundraisers worked, and the amount of money taken in at each fundraiser event.

I understand that the money earned by the D.C. Club will be distributed among the participants based upon the number of fundraisers worked and the amount of money made at each event. I also understand that I will be financially responsible for the remainder of the cost of the trip. Any balance owed prior to the time of travel, will be the sole responsibility of the parent. All money owed for the cost of travel must be paid in full prior to travel.
